

ESVD WORKSHOP

Palma de Mallorca- España
May 24 to 26th , 2012

FELINE DERMATOLOGY

ESVD Workshops are organised for small groups (max 50). Please register early to avoid disappointment and remember that ESVD Members get priority.

Do you like cats? Do you think that cat skin diseases can be frustrating? Do you like sun, beaches and historical cities? Then you can't miss this meeting to learn the latest and the best about cat skin diseases under the bright sun of the Mediterranean sea.

Welcome to the island of Majorca and have a great time with enthusiastic vet colleagues.

HOST CITY

Palma de Majorca is the commercial and cultural centre of Majorca, the depth of history, culture and night life here often takes to the visitors by surprise.

Palma de Mallorca is the main centre of Mallorca and a charming place to stay. Despite becoming a modern and vibrant city it has managed to retain its old town and ancient culture and charm. Offering an abundance of hotels, restaurants and nightclubs, Palma's harbour bristles with yacht masts, a testament to its popularity.

The Old Town is an appealing maze of narrow streets that are a delight to explore on foot.
